

The Court of Last Resort

Around the stove of the cross roads grocery is the real court of last resort, for it finally overrules all others. Chamberlain's cough remedy has been brought before this court in almost every cross roads grocery in this country, and has always received a favorable verdict. It is in the country where man expects to receive full value for his money that this remedy is most appreciated. Obtainable everywhere. (adv.)

MISSOURI CONVICT
CAUGHT AFTER 10 YEARS

Jefferson City, Mo., March 24.—Warden D. C. McClung of the Missouri Penitentiary announced tonight the capture today at Minot, N. D., of John Franklin, an escaped convict, whom the prison authorities have been trying to apprehend for 10 years.

Edward Hardin, an officer of the prison, was sent to Minot some days ago, as was W. A. Curtis, the factory foreman under whom Franklin worked. They are being in their identification of Franklin, who will be extradited.

Franklin and Teddy Daly escaped from a Deputy Sheriff of Jasper county at the door of the jail in Carthage, January 16, 1906.

They had been taken to Joplin from the Penitentiary to testify against Estile P. (Foot and a Half) Butler. As they were being returned to the jail in Carthage preparatory to being brought back to Jefferson City they escaped.

Daly and Franklin were each serving 50-year sentences for killing Police Officer Calvin Brice in Joplin, December 31, 1904. Daly was captured and has since died.

It appears that Franklin has been at Minot several years, has married and has a family.

"Foot and a Half" Butler, who was convicted on the testimony of Franklin and Daly, for participating in the murder of Officer Brice, is now serving a 55-year sentence.
